148 Chester Court, Bowling Green, KY 42103
270-843-2247

Survey Technician

RESPONSIBILITIES include working with fellow Survey Crew members to effectively and efficiently complete land surveying activities such as boundary and topographic surveys, as well as construction activities (e.g., layout staking).

REQUIRED SKILLS include a thorough comprehension of general mathematical principles, general computer skills, and the ability to be self-driven and motivated to advance. Must be willing to travel, possess a valid driver's license, and must be able to lift at least 50 pounds. A high school diploma, or equivalent, is required.

RELEVANT experience in Land Surveying practices and equipment is preferred, but we could train an ambitious Candidate.

WE OFFER

- RETIREMENT PLAN (MATCHING)
- HEALTH, VISION, DENTAL
- PTO, VACATION, PAID HOLIDAYS
- CONTINUOUS TRAINING
- OPPORTUNITY TO SOLVE CHALLENGING PROBLEMS
